

IMPORTANT INFORMATION

Federal Government Regulation D restricts telephone initiated and pre-authorized withdrawals and transfers from savings type share accounts to no more than six within a calendar month. If you should attempt to exceed six, the Automated Teller System will ask you to call our regular telephone number for assistance. YOUR CHECKING ACCOUNT IS NOT AFFECTED BY THIS REGULATION.

Federal Government Regulation E (Electronic Funds Transfer) requires among other things that a special disclosure be sent to you. It is included with this material. We want to assure you that much effort went into the planning and implementation of the Automated Teller System with respect to security. We monitor all activity occurring in the Automated Teller System and review all transfer and withdrawal transactions before actual posting occurs.

Finally, there will be times when we cannot make the Automated Teller System available to you due to other data processing requirements. Generally, this will only be for an hour period, some times on weekdays. If the Automated Teller System is not available, it will not answer calls in order to save you possible toll charges. Our intent is to make the Automated Teller System available to you seven days a week, 24 hours a day.

ELECTRONIC FUND TRANSFER DISCLOSURE FOR TOUCH TONE PHONE-INITIATED TRANSFERS AND WITHDRAWALS

Southern Energy Credit Union offers certain services which enable you to transfer funds from one sub-share account to another or to a sub-loan account or to request a withdrawal from your share or sub-share accounts electronically using a touch tone telephone (the Automated Teller System). These services, when used by our members are governed by the Electronic Fund Transfer Act of 1978. The following information is provided in accordance with this Act.

1. GENERAL INFORMATION: If a withdrawal from your checking account is requested and scheduled to occur, you may call (205) 226-6800 to find out if the transfer has been made.

2. STATEMENTS: Statements for accounts with checking will be monthly. Accounts without checking will receive a monthly statement provided a touch tone telephone (the Automated Teller System) withdrawal has occurred within that month. If no (Automated Teller System) withdrawals are made, statements will be received quarterly.

3. NOTIFICATION OF UNAUTHORIZED TRANSFER: If you believe that someone has transferred or may transfer money from your account without your permission, call (205) 226-6800 or write to the following address: Southern Energy Credit Union, 750 17th Street North, Birmingham, AL 35203

4. BUSINESS DAYS: the Credit Union's business days are Monday through Friday, excluding holidays.

5. CONSUMER LIABILITY, Tell us AT ONCE if you believe your PIN number has been lost or stolen. Telephone is the best way of keeping your possible losses down. You could lose all the money in your account plus your maximum loan line of credit. If you tell us within two (2) business days, you can lose no more than \$50 if someone used your number without your permission.

If you do NOT tell us within two (2) business days after you learn of the loss or theft of your number, and we can prove we could have stopped someone from using your number without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a hospital stay) kept you from telling us, we may extend the time periods.

6. CREDIT UNION LIABILITY: The Credit Union shall be liable to the member for all losses and damages caused by:

A. The Credit Union's failure to make an electronic payment in accordance with your authorization, in the correct amount, or in a timely manner, except where:

1. The member's account has insufficient funds to complete the transfer.
2. The funds are subject to legal process or other encumbrances restricting such transfer.
3. Such a transfer would exceed an established credit limit.
4. If circumstances beyond our control (such as flood, fire, computer breakdown, or changes in our operation as required by law) prevent the transfer, despite reasonable precautions that we have taken.
5. A technical malfunction which is known to the member at the time a pre-authorized transfer was scheduled to occur.

B. The Credit Union's failure to make a transfer due to insufficient funds when the Credit Union failed to credit a deposit to a member's account which would have provided sufficient funds to make the transfer.

7. INFORMATION TO THIRD PARTIES: The Credit Union will furnish information to third parties about your account(s) or any electronically initiated transactions only in the following circumstances:

A. In order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or,

B. Where it is necessary for completing a transfer; or,

C. In order to comply with a government agency, a Court order, or other legal process; or,

D. You give us written permission.

8. The Credit Union reserves the right to change the terms and conditions upon which this service is offered. Reasonable notice of any change will be given before the change is initiated.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS Telephone us at (205) 226-6800 or write us at Southern Energy Employees Credit Union, 750 17th Street North, Birmingham, AL 35203.

Call or write as soon as possible if you think your statement is wrong, or if you need more information about a transfer listed on the statement. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem(s) or error(s) appeared.

When you call or write:

1. Tell us your name and account number.
2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error, or why you need more information.
3. Tell us the dollar amount of the suspected error.
4. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days after we hear from you, and we will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this we will recredit your account within 10 business days for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not recredit your account.

If we decide there was no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.
