Once the confirmation code is received, enter this into the field and click the *Submit* button.

The image shows a web interface for identity verification. On the left, a form titled "Identity Verification" contains the text: "We are sending a text message to the mobile number you selected. Please enter the code or". Below this is a field labeled "* Confirmation Code" with the number "81447" entered. There are "Cancel" and "Submit" buttons, and a link that says "Why am I being asked this?". On the right, a graphic of a smartphone displays a blue speech bubble with the text "Your code is 81447".

You will then be prompted to set up a new password and security questions. You can use the drop-down menu to select each security question. Each answer must be at least 4 characters.

Select your Security Questions and enter your Secret Answers

For your protections, from time to time we will ask you to establish new security questions and answers. Just like changing your password frequently, this quick process helps to ensure the security of your accounts.

As a reminder, if we note any unusual activity concerning your account, we will ask some of the questions below to verify your identity and maintain the security of your account. If you share this account with someone else, please make sure to share your updated questions and answers with them as well.

What makes a good answer?

The image shows a dropdown menu with the text "What brand of bicycle did you learn to ride on?". A mouse cursor is hovering over the dropdown arrow.

Once set-up you will be logged into Online Banking or our Mobile Banking App, and you will need to accept the disclosures for Digital Banking.
